Apartment To Let In De Waterkant

The Mirage gives the ideal opportunity to enjoy the incomparable Cape Town lifestyle. It's located against the beautiful backdrop of Table Mountain from where magnificent views of the Cape Town skyline can be admired.

The Capital Mirage building in Cape Town, enjoys a most central location in the stylish De Waterkant area of Cape Town. It is here where cuisine, couture, decor and cuisine are showcased with the most delicious dining experiences.

The streets are lined with art galleries, boutiques, restaurants, interior decorating shops, tapas bars and sidewalk cafes which have been inspired by the romantic boulevards of Paris. The building has a swimming pool on the roof, restaurants, a gym and spa. This
